12. It will look something like the above and the part I need to keep up with your Year End Award standings is this list of shows and how you placed under each judge. If you **HI-LITE** the Texas shows, it will help me get right to what I need.
13. There are a number of ways to capture what is on the screen so you can send it to me. The easiest way would be to use your mouse to select that part of the report then copy and paste it into an email message. But if you want to print it then scan it or fax it or mail it to me, that's fine too.

How your TAQHA Points are earned and compiled

To earn TAQHA points you must be a member in good standing of both the AQHA and TAQHA and you must have nominated your horse and rider team for the specific events you want to compete in for Year End Awards. If you nominate after June 30th (we extended it beyond May 15th) then only the points from the date of your nomination will count, otherwise all AQHA sanctioned shows in Texas will count for the calendar year, beginning on January 1st.

1 point for each horse you beat (max 9 pts) or 1 point for entering the class

Entering a TAQHA class is NEVER pointless

In a class with at least 10 horses, 1st place gets the maximum 9 points, 2nd gets 8 points, 3rd gets 7, and so on but the difference in other systems is that the 9th place horse and every other nominated horse, no matter how many are in the class, gets 1 point.

How to get a PIN from the AQHA web site:

Enter www.aqha.com in the address bar of your browser. That will take you to the Home Page.

In the upper right hand corner of the Home Page is a place to enter your AQHA Membership number and PIN. Then below those boxes are some links and you need to click on **Get a PIN**

The screen below will come up and you just enter your AQHA Membership number and the name that appears on your card then click **Submit Membership ID**

IF YOU HAVE NOT BEEN ASSIGNED A PIN THEN:

1. Get your AQHA membership card
2. Enter your AQHA ID number that appears at the bottom of the card. Enter numbers only. If there is a letter that accompanies your ID number DO NOT ENTER IT. The ID number must be seven digits. If there are preceding zeros, enter them.
3. Enter your name EXACTLY as it appears on your card. Note: DO NOT USE PUNCTUATION MARKS. You must enter this information exactly as it appears.
4. Click on the "Submit Membership ID" button
